

# 37<sup>TH</sup> BRITISH YOUTH GO CHAMPIONSHIPS

Sunday 6<sup>th</sup> December 2020

Organised by the BGA

The 2020 British Youth Go Championships will be held Online on OGS (online-go.com) in group British Go Association Youth (<https://online-go.com/group/4739>)

The entry is free (as is OGS)! It is open for all British and UK-resident players under 18.

Registration will be from 9:15am to 9:45am and the first round will commence promptly at 10:00am. There will be six rounds on 19x19 boards (players are expected to play all rounds) with time limits 25 minutes and short overtime. It should be completed by 5:00pm.

The **British Youth Go Championship** will be contested using a modified McMahon system. Titles are also awarded in six age-groups\* (**under 8, 10, 12, 14, 16 and 18**).

The school team with the best performance will win the **Castledine Trophy**.

*\*The Youth Championship is open to any one under 18 on 31<sup>st</sup> August 2020. Ages on that date (i.e. School Years) determine age groups for championship purposes. For example, Years 2 and 3 are Under-8, Years 4 and 5 are Under-10, and so on.*

*Players who are not British can still compete, but if you have not lived in the UK very long you may not be eligible to win a title, only an open title.*

As ever the organisers are keen to attract young players of all ages and strengths, and beginners will be particularly welcome. Most games will be even games against players of similar level, but later on they may be handicap, so that everyone has a chance of winning some games, including beginners.

Entries and enquiries should be sent to **bygc@britgo.org**

Please include all the details requested below.

Entries must be received by 18:00 on Saturday 5<sup>th</sup> December.

*Warning: On the day, the pairings and results will show your handle, but the final results will show your name*
